CWP Vision

The CWP articulates a shared, inclusive, regional path forward to sustainably achieve safe, clean, and reliable water resources for Los Angeles County.

Complementary Efforts

CWP is intended to build from and complement other initiatives and efforts

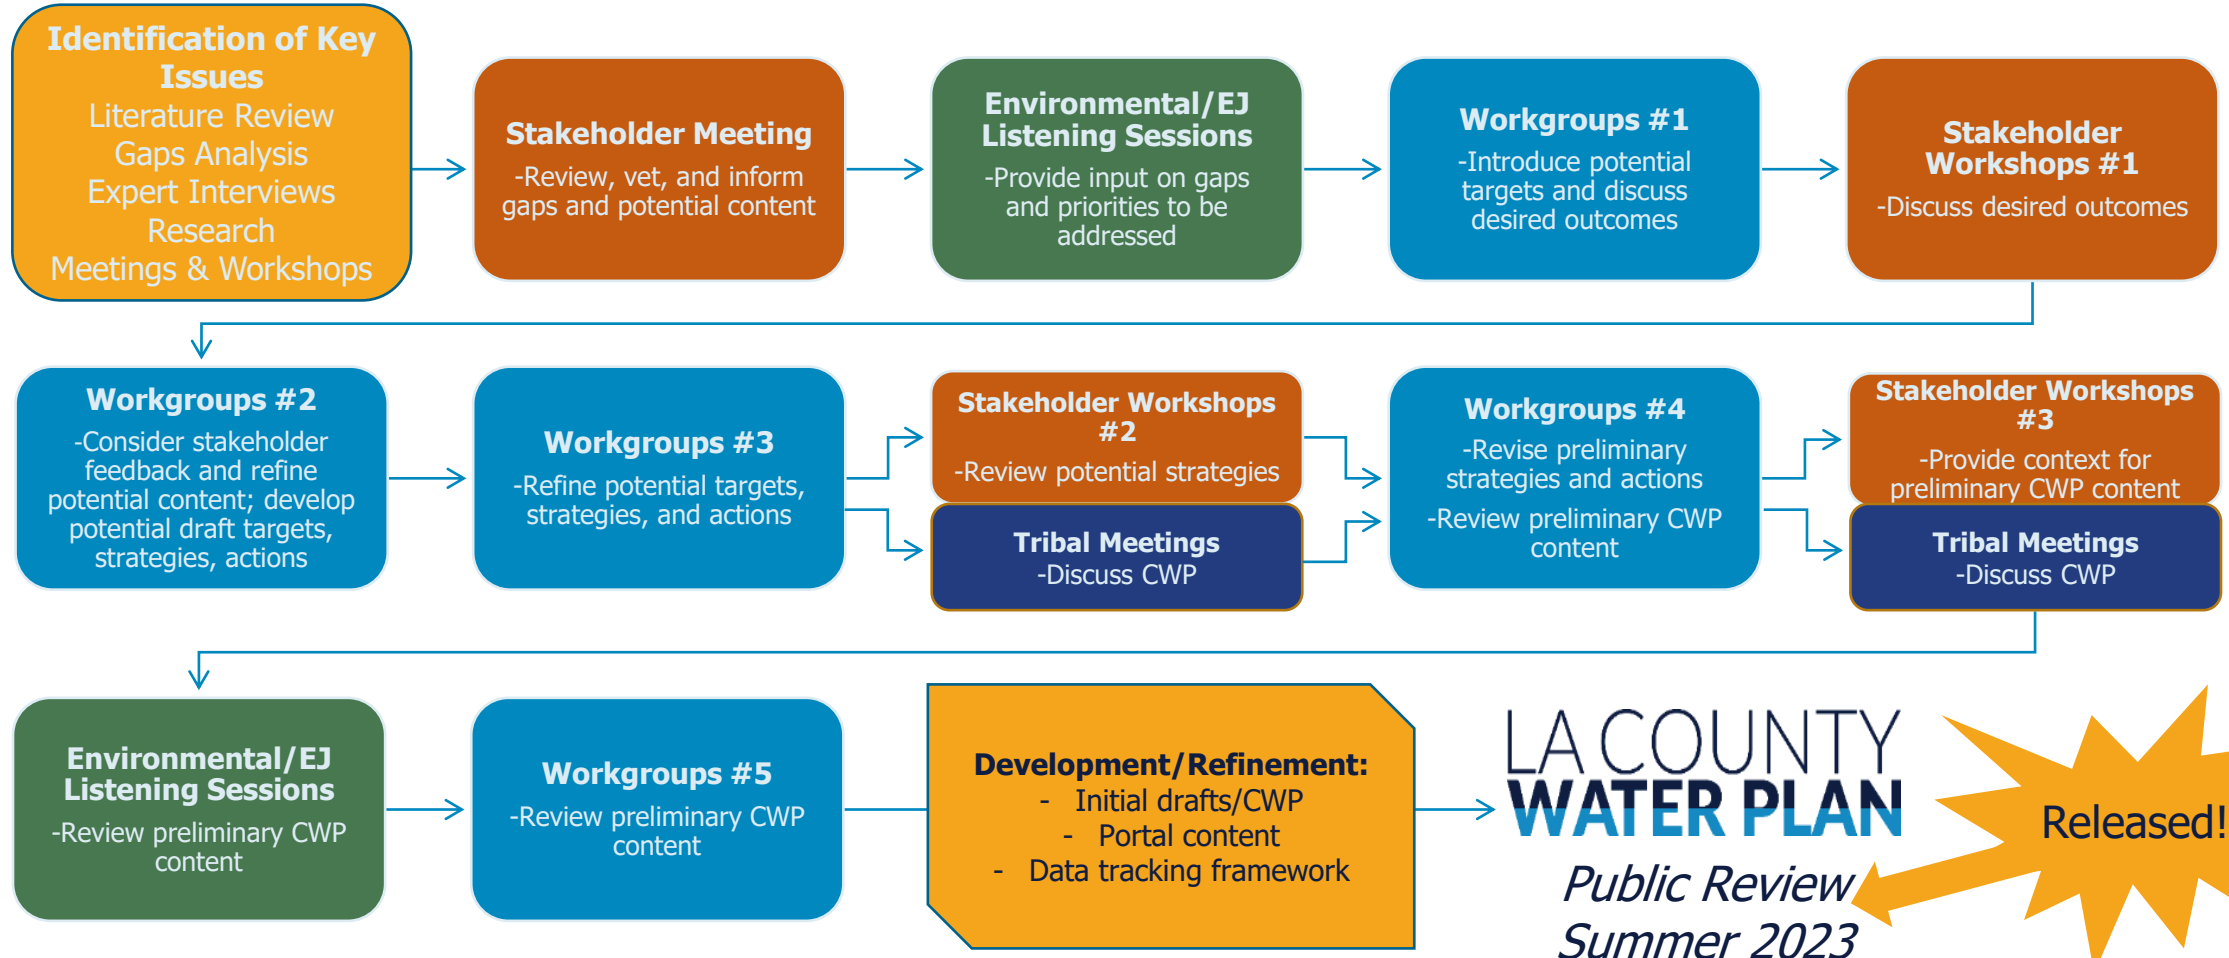

Recent County of Los Angeles Board of Supervisors Initiatives

- **Climate-Ready Communities**
 - ▶ Climate Vulnerability Assessment (CVA) examines the impacts on vulnerable communities, populations, and infrastructure
- **Anti-Racism, Diversity, & Inclusion (ARDI) Initiative**
 - ▶ Articulates an anti-racist agenda that will guide, govern, and increase the County's ongoing commitment to fighting racism in all its dimensions
- **Equity in Infrastructure Initiative**
 - ▶ Identify and reduce any disparities across geographies produced in the planning, delivery, and distribution of PW investments and services
